2010-2011 SCHOOL YEAR**

**All I Really Need To
Know I Learned In
Kindergarten**

*Most of what I really need
To know about how to live
And what to do and how to be
I learned in kindergarten.
Wisdom was not at the top
Of the graduate school mountain,
But there in the beginning.*

These are the things I learned:

*Share everything.
Play fair.
Don't hit people.
Put things back where you found
them.
Clean up your own mess.
Don't take things that aren't
yours.
Say you're sorry when you hurt
somebody.
Wash your hands before you eat.
Flush.
Warm cookies and cold milk are
good for you.
Live a balanced life -
Learn some and think some
And draw and paint and sing and
dance
And play and work everyday
some.
Take a nap every afternoon.
When you go out into the world,
Watch out for traffic,
Hold hands and stick together.
Be aware of wonder.*
